

## WE BELIEVE

Our lives are better when we live in inclusive and diverse communities

## WE BELIEVE

Strong personal relationships, connections and networks give us a sense of belonging and safety

## WE BELIEVE

Our lives are better when we focus on each other's strengths, abilities and gifts

## WE BELIEVE

Our lives are better when we have the power and control to make our own decisions

## WE BELIEVE

Our lives are better when we have support to make meaningful and valued contributions to everyday community life

## WE BELIEVE

Our human rights, equality and better lives for all demands significant change in thinking, policy and practice
